Re: 141st Street Closure for Reconstruction (EN-280)

## Information

I am requesting permission to close 141st Street east of Olio Road for the installation of sanitary sewer. Closure is anticipated to start on or after Monday, September 18, 2017 and last up to 4 weeks.

- A detour route will be posted utilizing Olio Road, 146<sup>th</sup> Street, and Prairie Baptist Road.
- Advance notice signs stating "Road Closure On Or After 9/18/17" one week in advance of the closure.
- Notice will be sent to public agencies informing them of the actual start of the closure.
- We have coordinated access to the site for BorgWarner

In advance, I greatly appreciate your consideration of this request.
