You have the option of enjoying three sample-sized beers; one at each of the Hop Stops along the route.

Can I get more beer along the race route?

State and city regulations prohibit the serving of more beer than what is being offered during the race. We do, however, encourage all beer drinkers to participate in the Brewfest which follows the HOPS TROT! Entry is included in the ticket price!

Can I purchase more beer after the finish?

Can someone under 21 years old join me in the course?

Due to the nature of the event, only those 21 and over can participate. People of any age are welcome to watch or wait in beautiful Forest Park while you participate!

Do I have to dress in a costume?

You don't have to dress up...but that's part of the fun! Think of the pictures! There will be a costume contest after the race with prizes for winners!
