**CERTIFICATION & NOTICE OF INTENT TO COMPLY STATEMENT**

I hereby certify that I have the authority to make the foregoing application, that the application is correct, and that the construction will conform to the regulations in the Building Code, the Unified Development Ordinance, Noblesville Construction Standards, the Stormwater Ordinances and Stormwater Standards Manual, the approved Plans and Specifications, IDEM requirements, any and all Local, County, and State requirements including private restrictions, if any, which may be imposed on the above described property.

I further certify the modifications to the site and erection of a structure to be completed with this project will not cause any adverse drainage condition that would cause damage to adjoining public or private property as a result of this construction.

I understand that I have six (6) months to request my first building inspection, and no more than two (2) years to complete this project. If I do not begin or finish within the allowable time, this permit will be null and void.

I further understand that all work associated with the issuance of this permit must be inspected and approved by the City of Noblesville, at predetermined points in the construction process, and includes inspections by both the Planning and Engineering Departments.

I further certify that the construction for which this permit is issued will not be used or occupied until proper Certificates of Occupancy are issued by the Department of Planning and Development.
