

PUBLIC NOTICE

SUBJECT: Intent to obtain Construction Stormwater General Permit (CSGP) coverage for land-disturbing activities.

PROJECT: Little Chicago Road over Morse Reservoir Trail Bridge Rehab

DATE POSTED: 7/22/2022

The Engineering Department of the City of Noblesville will be submitting a Notice of Intent to IDEM to obtain construction stormwater general permit coverage for the above project. This will allow for the discharge of stormwater from a construction site.

The project consists of construction activities associated with bridge rehab and pedestrian trail construction on Little Chicago Road bridge over Morse reservoir.

The receiving waters associated with this project include Morse Reservoir
